

C-W Bulldog Booster Club Fund Request Form

The Booster Club fund requests will be considered at each monthly meeting. No longer will requests be looked at in retrospect. This means that a request must be placed prior to purchase. If you feel that your request is urgent, then, you should fill the form out, go through the proper signing and contact one of the officers to discuss the urgency.

There is a requirement of 4 signatures. The Athletic Director must sign. The Varsity Coach of the sport must sign. A Committee Representative of that sport must sign. Lastly, an Officer must sign.

It is the coach's responsibility to get the fund request to the meeting completed.
