

Chetek-Weyerhaeuser

High School/Middle School

CWHS/MS Mission Statement

At Chetek-Weyerhaeuser High School/Middle School, students will learn and perform at high levels by engaging in a wide variety of rigorous courses and high quality extra-curricular activities.

CWHS/MS Vision Statement

Chetek-Weyerhaeuser High School/Middle School will become the highest performing school in the state.

CWHS/MS Value Statements

- Relationships - We take care of ourselves and each other.
- Respect – We respect ourselves, others, and the environment.
- Responsibility – We take ownership of our actions and learning and provide a safe environment for students and staff.

CWHS/MS Goals

- 1) All students will meet college and career readiness benchmarks.
- 2) A new model for parent-student-teacher communication will be developed and implemented.
- 3) Academic and Career Plans (ACP's) will be maintained for all students.
- 4) Students will be offered acceleration opportunities based on individual student performance.
- 5) Middle school club and extracurricular opportunities for students will be expanded.
- 6) A robust data collection system will be acquired and utilized to examine student performance.
- 7) All students are proficient on State assessment content prior to taking the exam.
- 8) Identify and integrate 6-12 technology skills into learning targets.
- 9) Pilot the development and delivery of hybrid instruction.
- 10) Research, analyze and plan for the implementation of standards-based grading.
- 11) All sixth grade students will receive instruction to build personal and academic skillsets.
- 12) Implement Educator Effectiveness 6-12.
- 13) Become a nationally recognized Professional Learning Community school.
- 14) Continually refine learning targets 6-12, with a focus on scope and sequence.
- 15) A system of interventions exists for students that do not show academic or behavioral proficiency.
- 16) Use formative and summative assessments to improve and measure student learning.
- 17) Students will have the opportunity to earn vocational certifications.
