Last year we voted to divide the services the PTO provides the school into smaller, "bite sized" bits. The aim of this is two-fold, to increase the NUMBER of parents participating while DECREASING the amount of time they need to volunteer for. The goal is to keep it around the 2 hours commitment we ask each parent to make. There are some jobs that do take more time, and some less. We even have jobs that don't require coming to school AT ALL!

There is something to fit everyone's time & talents!
