

Proficiency Table

This table provides students and staff with descriptions for the 0-4 standards based grading scale as well as definitions providing detail about the expected performance for each assigned proficiency level.

Proficiency	Descriptor	Definition
4	Proficient	Student demonstrates mastery of grade-level skills and processes with no major errors or omissions.
3.5	Developing/Proficient	
3.0	Developing	Student demonstrates partial mastery of grade-level skills and processes.
2.5	Basic/Developing	
2	Basic	Student demonstrates mastery of all basic skills and processes but requires help to successfully complete higher-level skills and processes.
1.5	Minimal/Basic	
1	Minimal	Student requires help to partially complete grade-level skills and processes.
.5	No Evidence/Minimal	
0	No Evidence	There is not sufficient evidence to assess student progress.
