

SCHOLARSHIP OPPORTUNITY....

The Vintage Voyagers Street Rods of Chetek, WI, offer a scholarship to any high school senior attending WITC or any other technical college after high school graduation. Field of continued education needs to be auto related (i.e., auto body or auto mechanics), or graphic design.

Our scholarship, up to \$500, has only two requirements:

- 1) Submit a short paragraph on the field you have chosen why you believe you should receive the scholarship.
- 2) Submit your high school attendance record with your submission.

The recipient of the scholarship is selected by our club members. The winner will be notified by mail or phone. Recipients of the scholarship receive half of the funds at the time of admission to the auto related or graphic design course, with the second half dispersed at the beginning of the second semester of the year.

Don't wait to apply; **deadline is** *May 1st*
