Dear Citizens,

The Chetek-Weyerhaeuser Area School District is pleased to present the 2024-2025 Annual Meeting Booklet. The information provided within and during the Annual Meeting presentation represents a compilation of the achievements of our students, faculty, staff, administration, and board of education. The Annual Meeting Booklet also serves as CWASD's exhibit of its commitment to its vision of creating a high-performing, student-centered school district that meets the needs of ALL students.

The Annual Meeting and Budget Hearing provide insight into critical funding factors such as the local levy amount, mill rate, student enrollment, and the school district's overall property value. These factors determine how much state and local revenue CWASD receives and help determine the local property tax rates for property owners in our school district.

CWASD remains a leader in academic and financial performance across our region. The District performs careful cost analysis, various cost-containment strategies, proper asset management, prioritizing funds for strategic initiatives, and maintaining stringent internal controls. All these factors make the CWASD financial health one of the best in Wisconsin. It is a tribute to our board, administration, and staff that CWASD has achieved such financial strength over time.

A few areas stand out for CWASD in terms of financial health. The first is fund balance. Fortunately, CWASD created and maintained a fund balance that allows the District to cover unexpected (unbudgeted) expenses, reduce deferred maintenance, complete facility upgrade projects without referendum or borrowing, and eliminate short-term borrowing. CWASD has performed over \$13,000,000 in facility upgrades in the last five years without a referendum. While many school districts across the State require short-term borrowing to make payroll throughout the year, CWASD has a strong cash position, which allows the District to avoid borrowing and paying the interest that goes with borrowing.

Another factor of budgetary health is the amount of long-term debt. Citizens of the Chetek-Weyerhaeuser Area School District can be proud that CWASD enters the 2024-2025 budget year with no short—or long-term debt. These factors are essential for budget health and the amount of the levy on taxpayers. With no long-term debt to pay, the school district does not have the levy for funds to pay off loans.

The 2024-2025 budget has the following differences from the 2023-2024 budget:

- CWASD school district property values increased by approximately \$138,962,415 (9.18%), representing a property valuation of over \$1.6 billion.
- Increased total local tax levy of \$642,601 due to increased Fund 80 levy.
- A **decreased mill rate** from 6.83 to 6.64 mils.
- Fund 80 levy increase due to the addition of a school resource officer, athletic training services, and upcoming facility upgrades for youth programs, such as the construction of youth baseball/softball fields.

The remaining booklet contains an in-depth, descriptive analysis of CWASD's financial picture. Even though this document stands as a summary, it provides valuable and relevant information. We intend to show that all who view this document see that the Chetek-Weyerhaeuser Area School District demonstrates excellence through hard work, focus, dedication, and discipline.

Features of this document include:

- Audit Report Notations and Treasurer's Report
- Annual Budget Detail
- Tax Levy Information
- Explanation of Budgetary Terminology
- Revenue Limit Calculation
- Detailed Revenues and Expenditures
- Mill Rate
- Pupil Membership (Enrollment)

Our community can be proud that the District's work focuses on preserving quality programs and staff and seeking continual improvement in all areas as we decide to create the best school experience possible for our students. I would like to thank the Board of Education, parents, community members, administration, teachers, support staff, and students for their efforts in all of our achievements.

Respectfully Submitted,

Mark Johnson, Superintendent

\* The 60 & 70 series funds are "fiduciary" funds. Presentation of these funds taken out of the adoption format to agree with GASB 34 requirements. This change also brings the school district adoption format more into conformity with statute 65.90 requirements used for other Wisconsin governments which specify that information be presented for governmental and proprietary funds, but does not require it for fiduciary funds.

**Resolution A**

**RESOLUTION TO FIX SALARIES AND  
MILEAGE OF SCHOOL BOARD MEMBERS**

Be it resolved that the electors of the Chetek-Weyerhaeuser Area School District fix the yearly salary of school board members as per the following:

The president and clerk shall receive \$1800; all other members shall receive \$1500.

Be it further resolved that the following expenses be paid when school board members attend development workshops, seminars, and state and national conventions:

1. Transportation - coach airfare or mileage at the current federal rate.
2. Fees and Registrations - as required for participation at meeting.
3. Hotel/Motel - at a reasonable room rate.
4. Expenses for meals are determined by domestic per diem rates.  
Additional costs will be reimbursed when submitted with a valid receipt.
5. Each board member shall receive \$75 per day for attendance at school board development workshops, seminars, and state and national conventions.

# SUPPLEMENTAL INFORMATION

## **EXPLANATION OF THE BUDGET**

The State of Wisconsin uses a financial accounting system called WUFAR (Wisconsin Uniform Financial Accounting Requirements). WUFAR is basically divided into three areas: (1) instruction - activities dealing directly with the interactions between students and teachers; (2) support services – services which provide administrative, technical (such as guidance and library) and logistical support to facilitate and enhance instruction, and (3) non-program transactions.

### **COMMON FUNDS**

Common funds, as the name implies, are those WUFAR dimensions which are in the common use by school districts in Wisconsin. The Common Funds serve as the basis for State and Federal Reports

#### **10 GENERAL FUND**

The General Fund is used to account for district financial activities for current operations, except those which are required to be accounted for in separate funds.

#### **20 SPECIAL REVENUE FUND**

This fund is used to account for activities which are funded, in whole or in part, by federal or state programs which are designed for specific purposes. Starting in 2021 this fund is used to account for assets held by the District for student organizations.

#### **30 DEBT SERVICE FUND**

This fund is required by Section 67.11, Wisconsin Statutes. Irrepealable debt tax levy and related revenues are accounted for in this fund along with expenditures for long-term debt retirement. A separate checking and/or investment account must be maintained by the district for this fund.

#### **40 CAPITAL PROJECTS FUND**

This fund is used to account for financial resources involved in the acquisition of capital objects, construction of capital facilities, or maintenance projects. Capital projects financed through long-term borrowing or a sinking fund (sec. 120.10(10)) must be accounted for in this fund. If a capital project is financed through current year tax levy, the General Fund is used rather than the Capital Projects Fund.

#### **50 FOOD SERVICE FUND**

Federal regulations require that the Food Service Fund be accounted for separately. All revenues and expenditures related to Food Service are recorded in this fund. The Food Service Fund may not transfer money to any other fund. Any fund balance must be retained for future use for Food Services.

**60 CUSTODIAL FUND**

This fund is used to account for custodial activity, which is primarily related to pupil organizations, parent organizations, and certain scholarships pursuant to GASB 84, including the district not having administrative involvement with the custodial assets.

**72 PRIVATE BENEFIT TRUST FUND**

This fund is used to account for gifts and donations specified for benefit of private individuals and organizations not under the control of the school board. Scholarships are recorded in this fund. Cash and investment accounts in this Fund are required as specified by donors.

**80 COMMUNITY SERVICE FUND**

S.120.13 AND 120.61, Wisconsin Statutes, allow a school board to permit use of the district's property for civic purposes. Should the Board elect to provide services which have the primary function of serving the community and which are not classified as instructional or supporting services for school educational programs such as adult education, community recreation, elderly food service programs, day care services, etc., this fund must be used.

**90 PACKAGE AND COOPERATIVE PROGRAM FUND**

Sub-funds in Fund 90 involve multidistrict projects for which it is necessary to keep a separate record of expenditures so that participant districts' share will be determined accurately. Projects must be covered by a written agreement approved by the school board of each participating district. This will normally be a contract with CESA, CHCEB or other school districts.

## FUNCTION DIMENSION

Function means the purpose for which an object is used. Function includes the activities or actions, which are performed to accomplish the objectives of an enterprise.

### DESCRIPTION OF WUFAR ACCOUNTING BY MAJOR FUNCTION

- 110 000**      Undifferentiated Curriculum  
An instructional situation in which one teacher is responsible for providing instruction in two or more curricular areas to the same group of pupils such as a K-4 teacher.
- 120 000**      Regular Curriculum  
An instructional situation in which a teacher is responsible for providing instruction to a group of pupils in only one curricular area; I.e., a departmentalized approach (grades 5-12).
- 130 000**      Vocational Curriculum  
A vocational curriculum consists of occupationally related subject matter and related experiences designed to develop the knowledge, skills, attitudes and appreciations that relate to the world of work.
- 140 000**      Physical Curriculum  
The body of related subject matter and activities in health and daily living such as physical education, driver education and summer recreation.
- 150 000**      Special Curriculum  
A special curriculum consists of courses and other provisions which are different from or in addition to those provided in the usual school program, and are provided for exceptional pupils by specially qualified personnel. Special curriculum provides for special needs of children who are gifted and talented and children who are limited as a result of physical, social, cultural, mental or emotional conditions.
- 160 000**      Co-Curricular Activities  
Co-Curricular activities are comprised of the group of school sponsored activities designed to provide opportunities for pupils to participate in such experiences on an individual basis in small groups or large
- 210 000**      Pupil Services  
Activities designed to assess and improve the well-being of students and to supplement the teaching process such as guidance, nurse, mental health and psychologist services.

- 220 000**      **Instructional Staff Services**  
 Activities associated with assisting the instructional staff in providing learning experiences for students such as library and audio-visual services.
- 230 000**      **General Administration**  
 Activities concerned with establishing and administering policy in connection with operating the school district such as the School Board and Office of the Superintendent.
- 240 000**      **School Building Administration**  
 Activities of Principals concerned with overall responsibility for a school building.
- 250 000**      **Business Administration**  
 Activities concerned with paying, transporting, exchanging and maintaining goods and services for the school district including fiscal and internal services necessary for operating the school.
- 251 000**      **Direction of Business** The activities of directing, managing and supervising the business concerns of the school district.
- 252 000**      **Fiscal Activities** concerned with the fiscal operation of the school district
- 253 000**      **Operation -** Activities concerned with keeping the physical plant open, comfortable and safe for use including all utilities.
- 254 000**      **Maintenance -** Activities concerned with keeping the grounds, buildings, and equipment in effective working condition and state of repair. This includes the activities of maintaining safety in buildings and grounds.
- 255 000**      **Facilities Acquisition/Remodeling -** Activities concerned with the acquisition of land and buildings, remodeling buildings, the construction of buildings and addition to buildings.
- 256 000**      **Pupil Transportation -** Activities concerned with conveyance of students to and from school and trips to school activities.
- 260 000**      **Central Services**  
 This area includes activities which support instructional and support services and are district wide in nature.
- 263 000**      **Telephone and Postage -** Activities concerned with writing, editing and other preparation necessary to disseminate educational and administrative information.
- 264 000**      **Physical Exams -** Activities concerned with maintaining an efficient staff

- 270 000** Insurance and Judgments  
This function includes premiums for driver's education vehicles; student accident; liability; property; fidelity bond; unemployment compensation judgment and other insurance premiums (except staff fringe benefit insurance coverage).
- 280 000** Interest  
This area includes payment of principal and interest and processing cost for short-term loans.
- 290 000** Other Support Services  
Salary and benefits for school aides and also benefits paid to or on behalf of former employees of the district as a part of their early retirement program.
- 295 000** Technology Services  
Activities concerned with information technology.
- 300 000** Community Services  
Adult Education, Child Care
- 400 000** Non-Program Transaction  
Non-program changes are included in various costs. The cost to Fund 10, for example, would include an operating transfer to another fund. From the perspective of the district as a whole, however, such transfers would not be included in the cost since a transfer out of one fund is exactly balanced by transfer into another fund.

# Chetek-Weyerhaeuser Revenue Limit Calculations

## Why is State General Aid important?

The revenue limit calculates how much the district can raise through state general aid and the local tax levy. State general aid identifies who pays. The Revenue Limit less state general aid equals the revenue limit property tax levy. In 2025, approximately 32% of the school district's revenue limit authority is funded through state General Aid comprised of Equalization Aid, Computer and Personal Property Aid and/or High Poverty Aid.
