5517 - **STUDENT ANTI-HARASSMENT**

Prohibited Harassment

It is the policy of the Board to maintain an educational environment that is free from all forms of harassment, including sexual harassment. This commitment applies to all District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of harassment. This policy applies to conduct occurring in any manner or setting over which the Board can exercise control, including on school property, or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will not tolerate any form of harassment and will take all necessary and appropriate actions to eliminate it, including suspension or expulsion of students and disciplinary action against any other individual in the School District community. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our students.

The Board will vigorously enforce its prohibition against harassment based on the traits of sex (including transgender status, change of sex, or gender identity), race, color, national origin, religion, creed, ancestry, marital or parental status, sexual orientation or physical, mental, emotional or learning disability, or any other characteristic protected by Federal or state civil rights laws (hereinafter referred to as "Protected Classes), and encourages those within the School District community as well as third parties, who feel aggrieved to seek assistance to rectify such problems. Additionally, the Board prohibits harassing behavior directed at students for any reason, even if not based on one of the Protected Classes through its policies on bullying (See Policy 5517.01 – Bullying).

Harassment may occur student-to-student, student-to-staff, staff-to-student, male-to-female, female-to-male, male-to-male, or female-to-female. The Board will investigate all allegations of harassment and in those cases where harassment is substantiated, the Board will take immediate steps designed to end the harassment, prevent its reoccurrence, and remedy its effects. Individuals who are found to have engaged in harassment will be subject to appropriate disciplinary action.

For purposes of this policy, "School District community" means individuals students, administrators, teachers, staff, and as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

For purposes of this policy, "third parties" include, but are not limited to, guests and/or visitors on District property (e.g., visiting speakers, participants on opposing athletic teams parent), vendors doing business with, or seeking to do business with the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Other Violations of the Anti-Harassment Policy

The Board will also take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging harassment, or who has participated as a witness in a harassment investigation.
- B. Filing a malicious or knowingly false report or complaint of harassment.
- C. Disregarding, failing to investigate adequately, or delaying investigation of allegations of harassment, when responsibility for reporting and/or investigating harassment charges comprises part of one's supervisory duties

Definitions

Bullying

Bullying is prohibited by Board Policy 5517.01 – Bullying. It is defined as deliberate or intentional behavior using words or actions, intended to cause fear, intimidation, or harm. Bullying may be a repeated behavior and involves an imbalance of power. Furthermore, it may be serious enough to negatively impact a student's educational, physical, or emotional well-being. Bullying need not be based on any Protected Class. Bullying behavior rises to the level of harassment when the prohibited conduct is based upon the student's sex (including transgender status, change of sex, or gender identity), race color, national origin, religion, creed, ancestry, marital or parental status, sexual orientation of physical, mental, emotional or learning disability, or any other characteristic protected by Federal or State civil rights. Complaints brought under this policy that are more appropriately handled under the Bullying policy shall be referred for investigation consistent with the procedures in that policy.

Harassment

Harassment means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a student based on one or more of the student's Protected Class that:

- A. places a student in reasonable fear of harm to his/her person or damage to his/her property;
- B. has the effect of substantially interfering with a student's educational performance, opportunities, or benefits; or
- C. has the effect of substantially disrupting the orderly operation of a school.

Sexual Harassment

"Sexual harassment" is defined as unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct or other verbal or physical conduct or communication of a sexual nature when:

- A. submission to that conduct or communication is made a term or condition, either explicitly or implicitly, of access to educational opportunities or program;
- B. submission or rejection of that conduct or communication by an individual is used as a factor in decisions affecting that individual's education;
- C. that conduct or communication has the purpose or effect of substantially or unreasonably interfering with an individual's education, or creating an intimidating, hostile, or offensive educational environment.

Sexual harassment may involve the behavior of a person of either gender against a person of the same or opposite gender.

Prohibited acts that constitute sexual harassment may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. unwelcome verbal harassment or abuse;
- B. unwelcome pressure for sexual activity;
- C. unwelcome, sexually motivated or inappropriate patting, pinching, or physical contact, other than necessary restraint of students by teachers, administrators, or other school personnel to avoid physical harm to persons or property;
- D. unwelcome sexual behavior or words including demands for sexual favors, accompanied by implied or overt threats concerning an individual's educational status;

- E. unwelcome sexual behavior or words, including demands for sexual favors, accompanied by implied or overt promises of preferential treatment with regard to an individual's educational status;
- F. unwelcome behavior or words directed at an individual because of gender;

Examples are:

1. repeatedly asking a person for dates or sexual behavior after the person has indicated no interest;
2. rating a person's sexuality or attractiveness;
3. staring or leering at various parts of another person's body;
4. spreading rumors about a person's sexuality;
5. letters, notes, telephones calls, or materials of a sexual nature;
6. displaying pictures, calendars, cartoons, or other materials with sexual content;

- G. inappropriate boundary invasions by a District employee or other adult member of the District community into a student's personal space and personal life;

Boundary invasions may be appropriate or inappropriate. Appropriate boundary invasions make medical or educational sense. For example, a teacher or aide assisting a kindergartner after a toileting accident or a coach touching a student during wrestling or football can be appropriate. However other behaviors might be going too far, are inappropriate and may be signs of sexual grooming.

Inappropriate boundary invasions may include, but are not limited to the following:

1. hugging, kissing, or other physical contacts with a student;
2. telling sexual jokes to students;
3. engaging in talk containing sexual innuendo or banter with students;
4. talking about sexual topics that are not related to the curriculum;
5. showing pornography to a student;
6. taking an undue interest in a student (i.e. having a "special friend" or a "special relationship");
7. initiating or extending contact with students beyond the school day for personal purposes;
8. using e-mail, text messaging or websites to discuss personal topics or interests with students;
9. giving students rides in the staff member's personal vehicle or taking students on personal outings without administrative approval;
10. invading a student's privacy (e.g. walking in on the student in the bathroom, locker-room, asking about bra sizes or previous sexual experiences);
11. going to a student's home for non-educational purposes;
12. inviting students to the staff member's home without proper chaperones (i.e. another staff member or parent of a student);
13. giving gifts or money to a student for no legitimate educational purpose;
14. accepting gifts or money from a student for no legitimate educational purpose;
15. being overly "touchy" with students;

16. favoring certain students by inviting them to come to the classroom at non-class times;
17. getting a student out of class to visit with the staff member;
18. providing advice to or counseling a student regarding a personal problem (i.e. problems related to sexual behavior, substance abuse, mental or physical health, and/or family relationships, etc.), unless properly licensed and authorized to do so;
19. talking to a student about problems that would normally be discussed with adults (i.e. marital issues);
20. being alone with a student behind closed doors without a legitimate educational purpose;
21. telling a student "secrets" and having "secrets" with a student;
22. other similar activities or behavior.

Inappropriate boundary invasions are prohibited and must be reported promptly to one of the District Compliance Officers, as designated in this policy, the Building Principal or the District Administrator.

- H. remarks speculating about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history; and
- I. verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

It is further the policy of the Board that a sexual relationship between staff and students is not permissible in any form or under any circumstances, in or out of the work place, in that it interferes with the educational process and may involve elements of coercion by reason of the relative status of a staff member to a student.

Not all behavior with sexual connotations constitutes sexual harassment. Sex-based or gender-based conduct must be sufficiently severe, pervasive, and persistent such that it adversely affects, limits, or denies an individual's education, or such that it creates a hostile or abusive educational environment, or such that it is intended to, or has the effect of, denying or limiting a student's ability to participate in or benefit from the educational program or activities.

In addition to investigating and taking appropriate corrective action in instances of harassment, or of sexual harassment or other sexual misconduct, the District shall make available to the victim of such harassment or misconduct resources to assist the student with coping with the effects of victimization. The school counseling services shall identify available resources in the community and provide assistance to students in contacting such resources, if desired by the student. The District will not directly provide or pay for assistance unless such services are available in the District program or the Board otherwise approves.

Race/Color Harassment

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's educational performance; of creating an intimidating, hostile, or offensive learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin Harassment

Prohibited national origin harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin and when the conduct has the purpose or effect of interfering with the individual's educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's national origin, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's physical, mental, emotional or learning disability and when the conduct has the purpose or effect of interfering with the individual's educational performance; of creating an intimidating, hostile, or offensive learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's disabling condition, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like.

Reporting Procedures

Students and all other members of the School District community, as well as third parties, are encouraged to promptly report incidents of harassing conduct to a teacher, administrator, supervisor, or District employee or official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any teacher, administrator, supervisor, or other District employee or official who receives such a complaint shall file it with the District's Anti-Harassment Compliance Officer at his/her first opportunity.

Students who believe they have been subjected to harassment are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint will not adversely affect the complaining individual's participation in educational or extra-curricular programs unless the complaining individual makes the complaint maliciously or with the knowledge that it is false.

If, during an investigation of a reported act of bullying in accordance with Policy 5517.01 – Bullying, the principal determines that the reported misconduct may have created a hostile learning environment and may have constituted harassment based on sex (including transgender status, change of sex, or gender identity), race, color, national origin, religion, creed, ancestry, marital or parental status, sexual orientation or physical, mental, emotional or learning disability, or any other characteristic protected by Federal or State civil rights laws, the principal will report the act of bullying to one of the Compliance Officers who shall assume responsibility to investigate the allegation in accordance with this policy.

Reporting procedures are as follows:

- A. Any student who believes s/he has been the victim of harassment prohibited under this policy will be encouraged to report the alleged harassment to any District employee, such as a teacher, administrator or other employees.
- B. Any parent of a student who believes the student has been the victim of harassment prohibited under this policy is encouraged to report the alleged harassment to the student's teacher, building administrator or District Administrator.
- C. Teachers, administrators, and other school officials who have the knowledge or received notice that a student has or may have been the victim of harassment prohibited under this policy shall immediately report the alleged harassment to the Compliance Officer.
- D. Any other person with knowledge or belief that a student has or may have been the victim of harassment prohibited by this policy shall be encouraged to immediately report the alleged acts to any District employee, such as a teacher, administrator or other employees.
- E. The reporting party or complainant shall be encouraged to use a report form available from the principal of each building or available from the District office, but oral reports shall be considered complaints as well. Use of formal reporting forms shall not be mandated. However, all oral complaints shall be reduced to writing.
- F. To provide individuals with options for reporting harassment to an individual of the gender with which they feel most comfortable, each school's building principal shall be advised to designate both a male and a female Compliance Officer for receiving reports of harassment prohibited by this policy. At least one (1) Compliance Officer or other individuals shall be available outside regular school hours to address complaints of harassment that may require immediate attention.

District Compliance Officers

The Board designates the following individuals to serve as the District's "Compliance Officers" (hereinafter referred to as the "COs").

Tammy Lenbom
Business Manager
Chetek-Weyerhaeuser Area School District
1001 Knapp Street
Chetek, WI 54728
715-924-2226 Ext. 2019

Mark Johnson
Superintendent of Schools
Chetek-Weyerhaeuser Area School District
1001 Knapp Street
Chetek, WI 54728
715-924-2226 Ext. 2700

The names, titles, and contact information of these individuals will be published annually in the staff handbooks and on the School District's web site.

A CO will be available during regular school/work hours to discuss concerns related to harassment, to assist students, other members of the School District community, and third parties who seek support or advice when informing another individual about "unwelcome" conduct, or to intercede informally on behalf of the student.

Any Board employee who directly observes harassment of a student is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Thereafter, the COs must contact the student, if over age eighteen (18) or the student's parents if under the age eighteen (18), within two (2) business days to advise s/he/them of the Board's intent to investigate the alleged misconduct, including the obligation of the compliance officer to conduct an investigation following all the procedures outlined in the complaint procedures.

The COs are assigned to accept complaints of harassment directly from any member of the School District community or a visitor to the District, or to receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint, either directly or through a school building administrator, a CO will begin review and investigation or the CO will designate a specific individual to conduct such a process. The CO will prepare recommendations for the District Administrator or will oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of harassment that are reported to them to the Compliance Officer as soon as possible, but always within no more than two (2) calendar days of learning of the incident.

Investigation and Complaint Procedure

Any student who believes that s/he has been subjected to harassment may seek resolution of his/her complaint through the procedures described below. Further, a process for investigating claims of harassment and a process for rendering a decision regarding whether the claim of harassment was substantiated are set forth below.

Due to the sensitivity surrounding complaints of harassment, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. Once the complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) calendar days of the complaint being received).

If at any time during the investigation process the investigator determines that the complaint is properly defined as Bullying, under Policy 5517.01 - Bullying and not Harassment under this Policy, because the conduct at issue is not based on a student's Protected Characteristics, the investigator shall transfer the investigation to the appropriate building principal.

Complaint Procedure

A student who believes s/he has been subjected to harassment hereinafter referred to as the "complainant", may file a complaint, either orally or in writing with a teacher, principal, or other District employee at the student's school, the CO, District Administrator, or other District employee who works at another school or at the District level. Due to the sensitivity surrounding complaints of harassment, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, principal, or other District employee at the student's school, the CO, District Administrator, or other District employee, either orally or in writing, about any complaint of harassment, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process as described herein, the CO should keep the parties informed of the status of the investigation and the decision-making process.

All complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or to be actively engaging in, harassment; a detailed description of the facts upon which the complaint is based; and a list of potential witnesses.

If the complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter the CO will prepare a written summary of the oral interview, and the complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the complainant from further harassment or retaliation including but not limited to a change of class schedule for the complainant or the alleged harasser, or possibly a change of school for either or both of the parties. In making such a determination, the Compliance Officer should consult the District Administrator prior to any action being taken. The Complainant should be notified of any proposed action prior to such action being taken.

As soon as appropriate in the investigation process, the CO will inform the individual alleged to have engaged in the harassing conduct, hereinafter referred to as the "respondent", that a complaint has been received. The respondent will be informed about the nature of the allegations and a copy of these administrative procedures and the Board's anti-harassment policy shall be provided to the respondent at that time. The respondent must also be provided an opportunity to respond to the complaint.

Within five (5) business days of receiving the complaint, the CO will initiate a formal investigation to determine whether the complainant has been subject to offensive conduct/harassment. A principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Although certain cases may require additional time, the Compliance Officer will attempt to complete an investigation into the allegations of harassment within fifteen (15) calendar days of receiving the formal complaint. The investigation will include:

- A. interviews with the complainant;
- B. interviews with the respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations, as determined by the CO;
- D. consideration of any documentation or other evidence presented by the complainant, respondent, or any other witness which is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO shall prepare and deliver a written report to the District Administrator which summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of harassment as provided in Board policy and State and Federal law as to whether the complainant has been subject to harassment. In determining if harassment occurred, a preponderance of evidence standard will be used. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved.

The CO may consult with the Board attorney during the course of the investigatory process and/or before finalizing the report to the District Administrator.

In cases where no District CO is able to investigate a complaint due to concerns regarding conflicts, bias or partiality, or for other reasons that impair the CO's ability to conduct an investigation the CO may in consultation with the District Administrator or Board President, engage outside legal counsel to conduct the investigation consistent with this policy.

Absent extenuating circumstances, within ten (10) business days of receiving the report of the CO, the District Administrator must either issue a final decision regarding whether or not the complaint of harassment has been substantiated or request further investigation. A copy of the District Administrator's final decision will be delivered to both the complainant and the respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within ten (10) business days. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

The decision of the District Administrator shall be final. If the complainant feels that the decision does not adequately address the complaint s/he may appeal the decision to the State Superintendent of Public Instruction.

The Board reserves the right to investigate and resolve a complaint or report of harassment regardless of whether the member of the School District community or third party alleging the harassment pursues the complaint. The Board also reserves the right to have the complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board.

Additional School District Action

If the evidence suggests that the harassment at issue is a crime or requires mandatory reporting under the Children's Code (Sec. 48.981, Wis. Stat.), the CO or District Administrator shall report the harassment to the appropriate social service and/or law enforcement agency charged with responsibility for handling such investigations and crimes.

Any reports made to the local child protection service or to local law enforcement shall not terminate the CO's obligation and responsibility to continue to investigate a complaint of harassment. While the COs may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the District Administrator.

Confidentiality

The District will make all reasonable efforts to protect the rights of the complainant and the respondent. The District will respect the privacy of the complainant, the respondent, and all witnesses in a manner consistent with the District's legal obligations under State and Federal law. Confidentiality cannot be guaranteed, however. All complainants proceeding through the investigation process should be advised that as a result of the investigation, the respondent may become aware of the complainant's identity.

During the course of an investigation, the CO will instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that s/he learns or that s/he provides during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against harassment by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable law. When imposing discipline, the District Administrator shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Reprisal

Submission of a good faith complaint or report of harassment will not affect the complainant's status or educational environment. However, the Board also recognizes that false or fraudulent claims of harassment or false or fraudulent information about such claims may be filed. The Board reserves the right to discipline any person filing a false or fraudulent claim of harassment or false or fraudulent information about such a claim.

The District will discipline or take appropriate action against any member of the School District community who retaliates against any person who reports an incident of harassment prohibited by this policy or participates in a proceeding, investigation, or hearing relating to such harassment. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of discriminatory practices. The District Administrator will develop a method of discussing this policy with the School District community. Training on the requirements of non-discrimination and the appropriate responses to issues of harassment will be provided to the School District community at such times as the Board in consultation with the District Administrator determines is necessary or appropriate.

This policy shall be reviewed at least annually for compliance with local, State, and Federal law.

The District shall conspicuously post a notice including this policy against harassment in each school in a place accessible to the School District community and members of the public. This notice shall also include the name, mailing address and telephone number of the Compliance Officers, the name, mailing address and telephone number of the State agency responsible for investigating allegations of discrimination in educational opportunities, and the mailing address and telephone number of the United States Department of Education, Office for Civil Rights.

A summary of this policy shall appear in the student handbook and shall be made available upon request of parents, students, and other interested parties.

Retention of Public Records, Student Records, and Investigatory Records and Materials

All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and received as part of an investigation including but not limited to:

- A. all written reports/allegations/complaints/statements;
- B. narratives of all verbal reports, allegations, complaints, and statements collected;

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

The information, documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, Policy 8330 for not less than three (3) years, but longer if required by the District's records retention schedule.
