

Weyerhaeuser Facility Committee Minutes

February 29, 2012 Meeting

Weyerhaeuser School Library

Members Present: Ken Jost, Larry Leff, David Wierzba, Diane Huiras, John Huiras, Al Brown

Meeting was called to order by Ken Jost at 7:05 pm.

The agenda was agreed upon by consensus.

Al Brown reported on the following items:

The District has fixed the December water leak and paid an additional \$700 in the monthly water bill.

Website development is continuing as planned. A completed version will be available by the next meeting. David Wierzba will submit additional building pictures for the website. The marketing brochure will also be completed after the website is finished and is based on the same information.

The Weyerhaeuser Building is currently being used for WITC classes, and adult education.

No new businesses have been added to the facility.

The C-W Kids Club is progressing with the anticipated opening of a Weyerhaeuser component with the start of the 2012-13 school year. Connie Weis, Al Brown, and Tammy Lenbom are meeting to develop the implementation plan and budget. Advertising will begin shortly.

The group also discussed researching the feasibility of adding a diesel truck driving school to the operation of the building. This business venture is in anticipation of the increase in sand mining in the area.

Room rates were communicated and the group agreed not to recommend any rate changes at this time.

The next meeting will be scheduled following the completion of the website.

Meeting adjourned at approximately 8:30 pm.

Respectfully submitted:

Al Brown
