### **GP-7 Agenda Planning**

To accomplish its stated objectives, the Board will follow an annual agenda which includes continuing review, monitoring and refinement of *Results* policies, linkage meetings with various community and staff groups, monitoring of policies, and activities to improve board performance through educational and enriched input and deliberation.

Accordingly:

1. The planning cycle will start each year in May with the Board's development of its agenda for the next year, and will include:
  - a. Scheduled linkage discussions and consultations with selected groups and persons whose opinions will be helpful to the board.
  - b. Educational discussions on governance matters, including orientation of new Board members in the Board's governance process, and periodic discussions by the Board about means to improve its own process.
  - c. Education related to *Results* policies (e.g. presentations by futurists, demographers, advocacy groups, staff, etc.).
2. Throughout the year, the Board will attend to consent agenda items as expeditiously as possible. An item may be removed from the consent agenda only upon approval of a majority of the Board.
3. Monitoring of *Executive Limitations* policies will be scheduled on the agenda according to our annual calendar. They will be included in "Information and Action" to allow for Board discussion of Superintendent compliance and reasonable interpretation or if policy content is to be debated.
