## **Chetek-Weyerhaeuser Area School District Progress Monitoring and Intervention Analysis**

## Purpose

Use to monitor student response to intervention and make decisions regarding intervention needs based on data.

## **Prior to the Meeting**

Results of progress monitoring assessments of students in interventions will be gathered to share with the team.

Getting Started	
3 minutes	Remind team of essential agreements/norms. The facilitator and recorder are identified and the facilitator describes the purpose of the protocol and reviews the steps.
Review/Reflect	
5 minutes	<ul><li>Team members examine the data and identify:</li><li>What surprises you?</li><li>What confirms your professional observations?</li></ul>
Reflect on Intervention Groups	
20 minutes	<ul> <li>Reflect on intervention groups.</li> <li>Recreate groups based on need.</li> <li>Should anyone exit? enter?</li> <li>What will be the focus for each group?</li> <li>Document changes to intervention plans appropriately.</li> </ul>
Closure	
2 minutes	<ul> <li>Reflect on the essential agreements/norms.</li> <li>What worked well today? (each member share)</li> <li>What could we improve on at our next meeting? (each member share)</li> </ul>
