High School/Middle School Principal – Larry Zeman
High School/Middle School Assistant Principal/Athletic Director – Koll Fjelstad

Transportation Release for 2018-19 School Year

Parents may sign their child out with a coach at any away event. If a parent chooses to designate an adult(s) to sign their child out, this form must be completed and on file in the athletic office. A copy of this form will be given to coaches and be kept on file throughout the school year. If changes need to be made, please contact the athletic office.

My son/daughter _____ has my permission to ride home from school sponsored events with any of the below designated adult driver(s).

Designated Sport(s): _____
Fall Winter Spring

Adult Driver - other than a parent: (please print clearly)	Contact Number:

Any adult listed above transporting the designated athlete after an event must sign out with the appropriate coach before leaving the event location.

This contract is a special concession to parents and students. Students are required to ride to and from events via school district transportation unless this form is on file in advance.

I understand the responsible party must be an adult driver and must make contact with the appropriate staff member before leaving the premises. I also understand this document will be maintained throughout the sport season on file with the appropriate staff member. A copy will also be kept in the office and I will contact the athletic office with any necessary changes throughout the year.

By granting this permission I hereby absolve the Chetek-Weyerhaeuser Area School District of any liability for his/her safety.
